

Principal's Report

What a great day the students enjoyed at the **OZ Tag Gala Day** this week. Everyone had a great time and the senior girls' team (Brooklyn and Cowan students) have made it through to the next round! This will be held next Wednesday. Go girls!

Members of the Brooklyn RSL Branch led a very lovely **Remembrance Day** service for the school and community on Friday. It is always a very moving ceremony and so important that the children are able to participate in these events that have such significance for our nation's history. A highlight of the service was Alex Pigneguy's playing of The Last Post and Reveille on his trumpet. He performed these items with such respect and maturity.

The fabulous **Colour Fun Run** event happens tomorrow!! Thank you so much for the incredible efforts everyone has gone to to collect sponsorship money! The generosity of our families and community is very much appreciated. The weather report is not so encouraging for tomorrow so we may have to change the timing of the run. If this is the case, the children will need a t-shirt to change into as they may be back in classrooms after the run. Whatever happens, it's going to be fun!!!

The Year 6 students are holding a **Pyjama Day and Spiders** fundraising event next Tuesday 21 November.

As is usually the case, the **Science Fair** is held in Term 4. Due to the very full program of events in this term, we have decided to postpone the Science Fair until Term 1 next year. This will give us more time to prepare the students for the activity and to make sure that plenty of time is available for the children to prepare their investigations. More details will come home with the students next term.
