

The Year 5 and 6 students had an absolutely fabulous time in **Canberra** last week. Mr Iles and Mrs Apps were so proud of the children and the wonderful representatives they are of this school. There were many highlights and the educational value of the excursion is beyond measure. It is an incredible city with so much to offer.

The **Zone Athletics Carnival** will be held this **Friday, 13 September**, at the **Sydney Academy of Sport at Narrabeen**. New permission notes will need to be filled in and returned to the school.

Last week we had a **swarm of bees** in one of the branches of our big tree which was very exciting to watch! Unfortunately, they had to be removed and we thank Lachy, Chris and Lincoln for safely, and lovingly, relocating them to their new home down by the river! The excitement provided some great teaching opportunities around the importance of our little black and yellow striped friends!

The Year 6 students are, of course, looking at schools for 2020. The feeder school for Brooklyn Public School students is Kuring-gai High School. I have been contacted by the Principal of **Asquith Boys High School** to say that there are still places for boys from Brooklyn if they would like to choose an all-boys educational setting. Please contact the school if you would like to enquire about securing a place for 2020.

All for now

Students from 5/6AI recently undertook an education tour of the national capital. Students were given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage, government and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion, the Australian Government is contributing funding of \$20 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.
